

Who will claim the whale?

Fly over it. Paint it. Keep it until Sunday 13:00.

50 km wide

Chartreuse, Grésivaudan and Belledonne are all in

How to play

- 1 **Scan, install pgpilot, sign in.** Everyone on pgpilot is in the game already.
- 2 **Fly over the whale.** Every bit of ground you cross is yours, until someone flies it harder. Old flights count too: sync XContest or Flightlog under Menu > Connected services.
- 3 **Hold the most ground on Sunday 20 Sept at 13:00** and you are crowned king of Coupe Icare 🏆 at the pgpilot stand. Prizes included.

What a flight is worth

This week, 14 to 20 Sept

100%

Earlier in 2026

50%

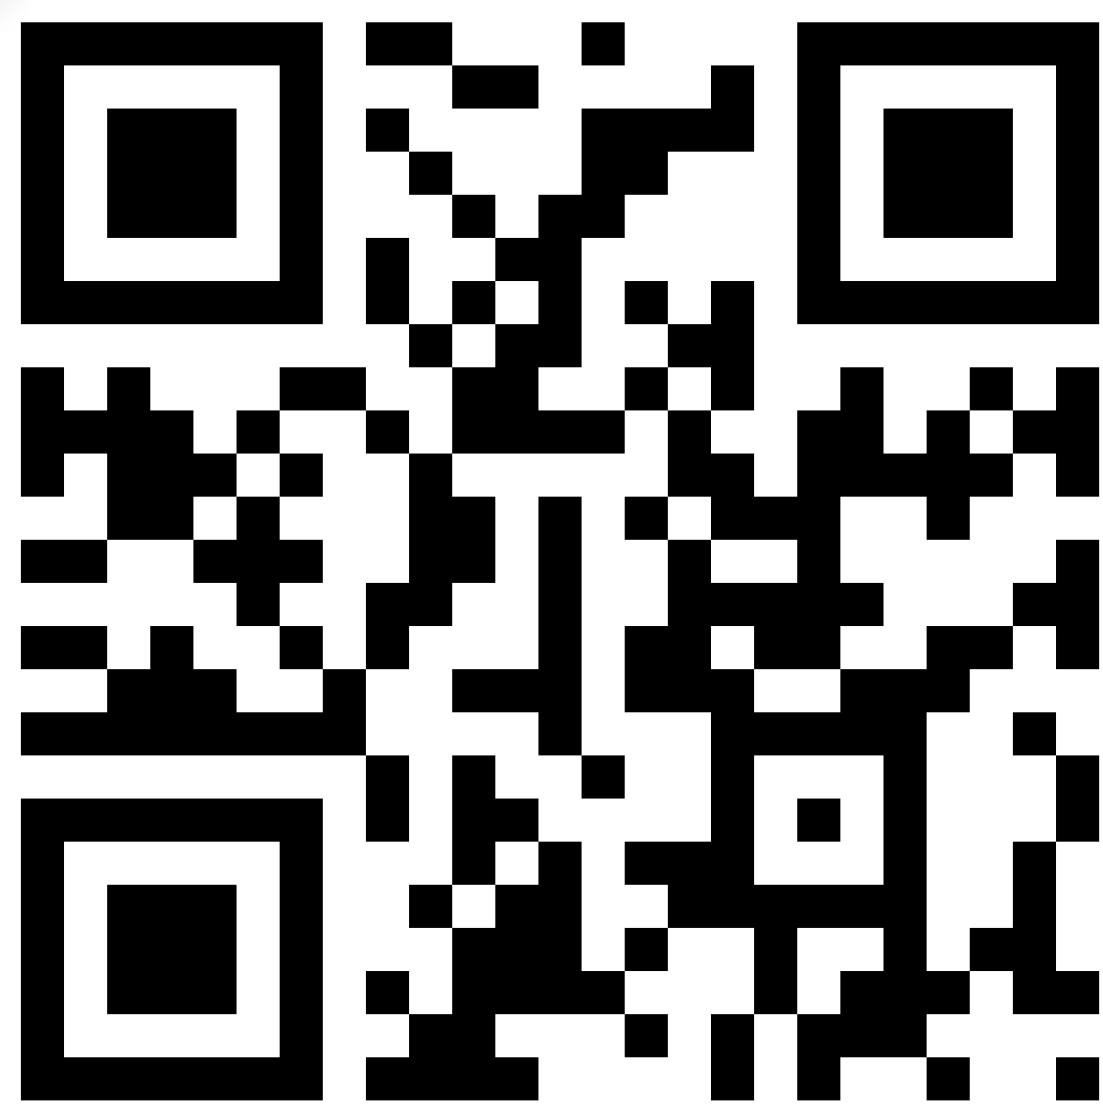

2024 and 2025

20%

Syncing takes a while. Connect your accounts tonight and you are on the board before your first launch.
