Help Lord Hanuman find the herb

Fly over him. Search the ground. Hold the most on 15 November.

Lord Hanuman has flown all the way from Lanka for the healing herb that will save Lord Rama's wounded brother. Help him search the hills around Billing.

How to search

1. **Scan, install pgpilot, sign in.** It is free, and everyone on pgpilot is searching already.
2. **Fly over Lord Hanuman.** Every patch you fly around is searched and yours, until someone searches it more. Synced XContest and Flightlog flights count too.
3. **Hold the most ground at the end of 15 November** for a reward. Flights from 9 October count.

Fly within your limits and the rules of the site. No herb is worth a risk.
